Yeastrol Review

Is Yeastrol a Scam?

No complaints are found on consumer complaints websites, and no complaints are found in various web forums.

Pros:

- Yeastrol is a homeopathic spray that has no known side effects.
- Stops the itching and eliminates other symptoms of yeast infection including abdominal pain, skin rashes, digestion problems, urgent need to urinate, and more.
- Convenient to use - only requires 2 sprays under the tongue, 3 times a day.
- Works quickly as the liquid formula is absorbed into the bloodstream almost immediately.
